

INTRODUCES

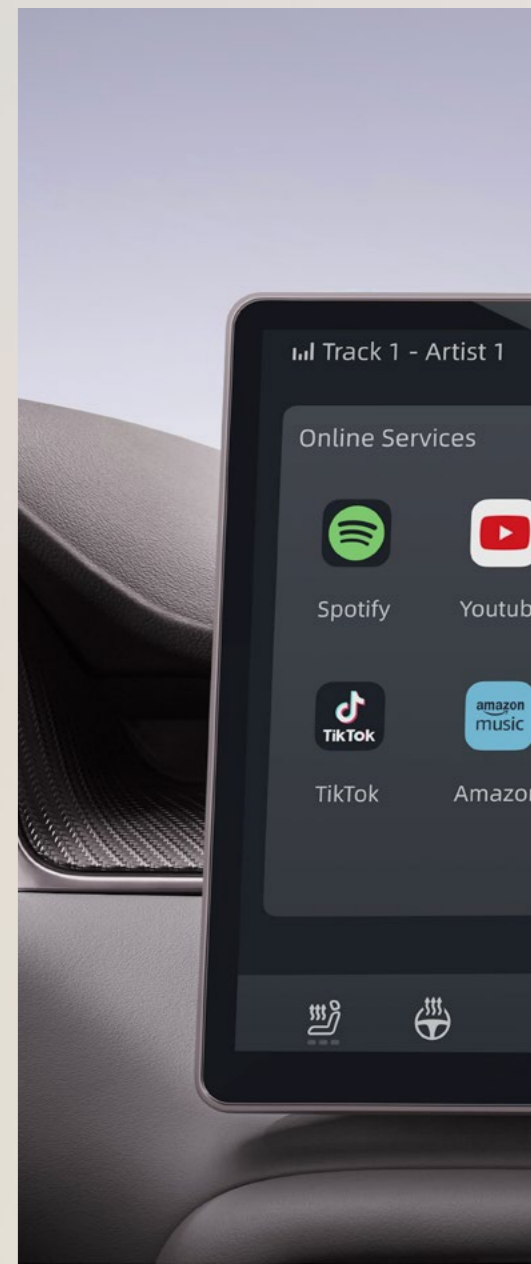

M G S 6 E V

SMART SERENITY

WHERE
TECHNOLOGY THINKS,
COMFORT CALMS

Introducing the all-electric MGS6 EV.
A spacious mid-size family SUV that's
been intelligently equipped and elegantly
finished to ensure every detail serves
your comfort.

AMBIENCE

CONSIDERED COMFORT

It could be bleak outside,
yet pure bliss within.

- HEATED & VENTILATED SEATING
- PANORAMIC ROOF
- 11 SPEAKER AUDIO SYSTEM

SUMPTUOUS SEATING

Settle into heated and ventilated leather style seats that soothe each passenger under the expansive panoramic roof above. Heated seats extend to the outer rear seats for unrivalled comfort.

THOUGHTFUL SPACE

Inside, 1,910 litres* of thoughtfully adaptable space creates room to breathe. Ambient lighting creates calm, while an eleven speaker audio system fills the cabin and suede-effect trim softens every surface.

The rear boot has an impressive 674 litres of storage and the front boot (known as the frunk), adds a further 124 litres^ of convenient space - perfect for everyday essentials like shopping bags or charging cables neatly in reach.

PANORAMIC ESCAPE

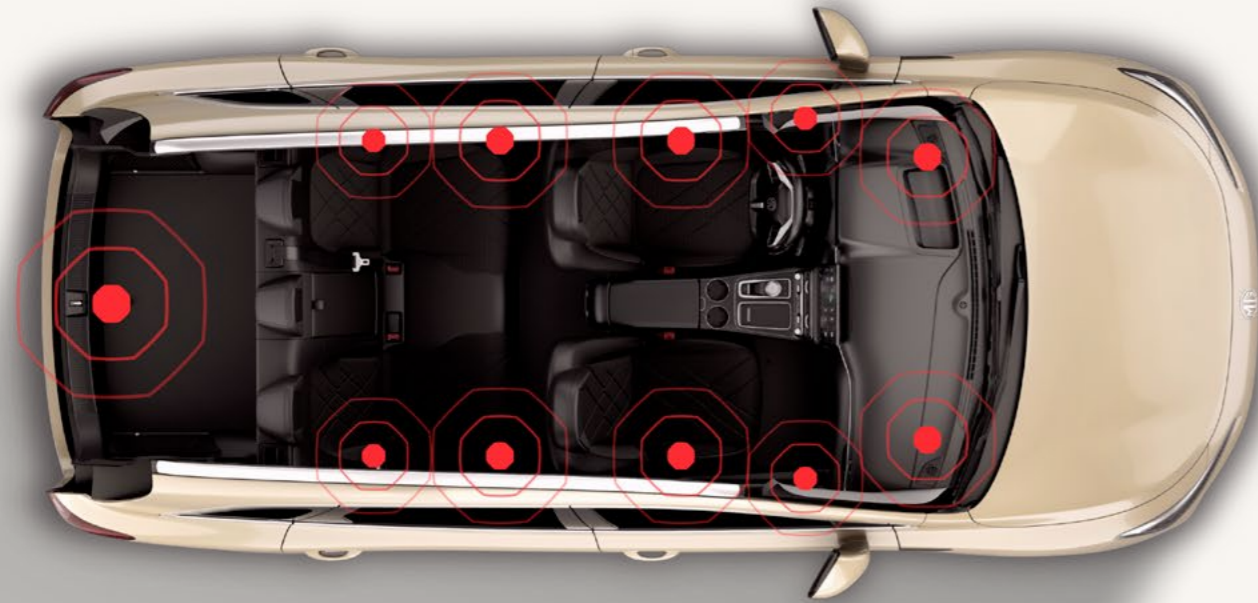

Let natural daylight or the serenity of the night sky flood through the sweeping 1.96m² panoramic roof, complete with an electric blind for the perfect balance.

*With rear seats folded
^Rear wheel drive variants

S U B L I M E S O U N D

Surround yourself with sound
as the 11 speaker audio system
immerses the cabin.

S O F T T O U C H E S

Leather style and suede effect
material soften every surface.

DRIVE CONTROL

SMART POWER

Beneath the serenity lies
intelligent engineering at work.

- 530KM (WLTP) EV COMBINED RANGE*
- 38 MIN FAST CHARGE TIME^
- ALL WHEEL DRIVE OPTION

*Range figures provided are calculated under test conditions. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration.

^10-80% charging time applies to a 150kW Ultra-Fast charger under standardised test conditions. Charging times in real world conditions will vary dependent on a number of factors, including but not limited to the age of battery, charging conditions, temperature and the existing charge of the battery, charger used and duration of charge. Charging times will be increased when using chargers of a lower capacity. Availability of 150kW-capable chargers may be limited depending on your location.

77kWh Battery

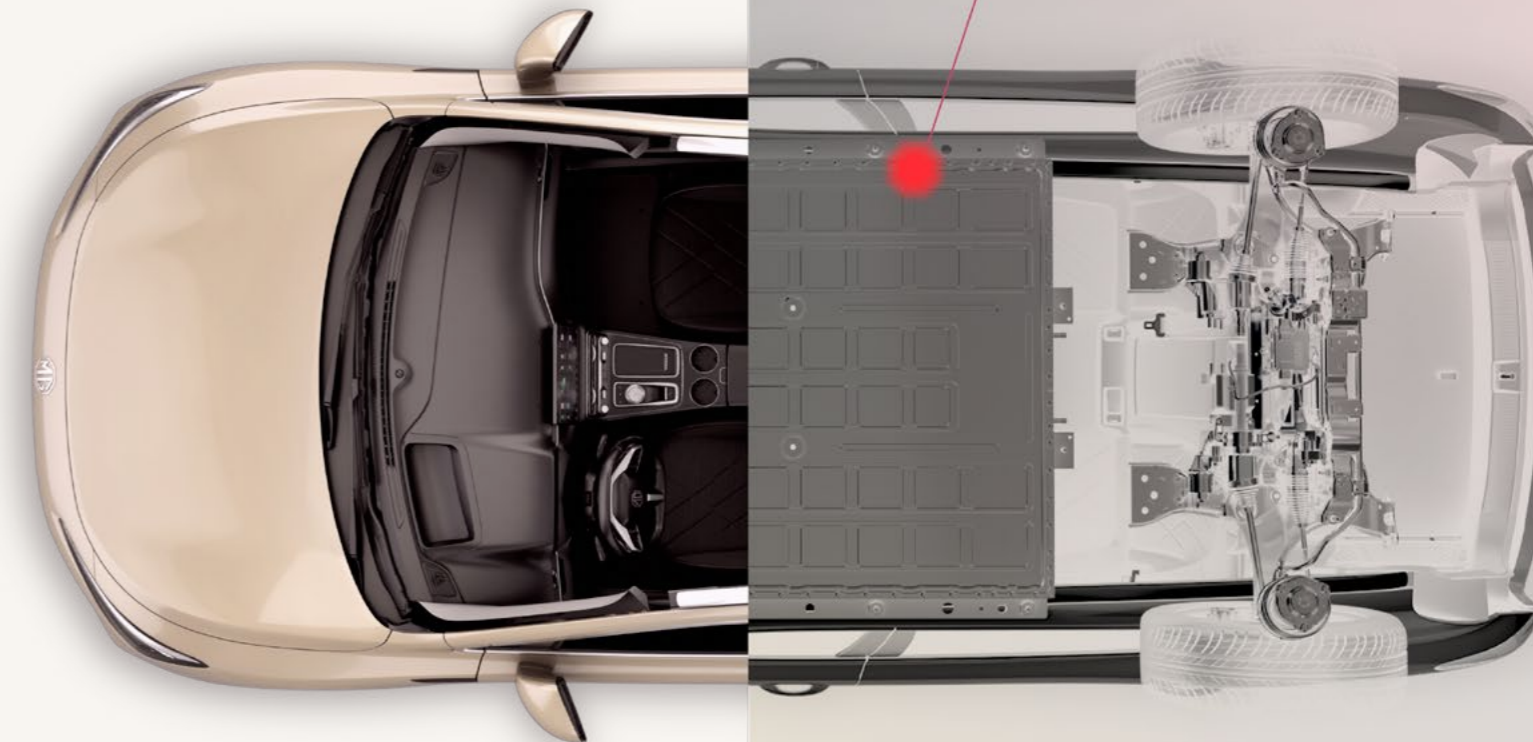

5.1sec, 0-100km/h*

7 year warranty
/ 150,000km

*Luxury Dual Motor

530KM RANGE (WLTP)

The Modular Scalable Platform (MSP), our purpose-built electric architecture, pairs seamlessly with an ultra-thin 77kWh NCM battery to unlock up to 530km of effortless WLTP combined range.

FAST CHARGING

With DC fast charging, you can charge the 77kWh battery from 10-80% in up to 38 minutes.

The MGS6 EV uses a 437V system meaning you can fast charge in speeds up to 144kW.

C O M P L E T E

SMART ALL-WHEEL DRIVE

Highly efficient motors power rear-wheel drive and all-wheel drive options to give you the perfect balance of dynamic yet composed control.

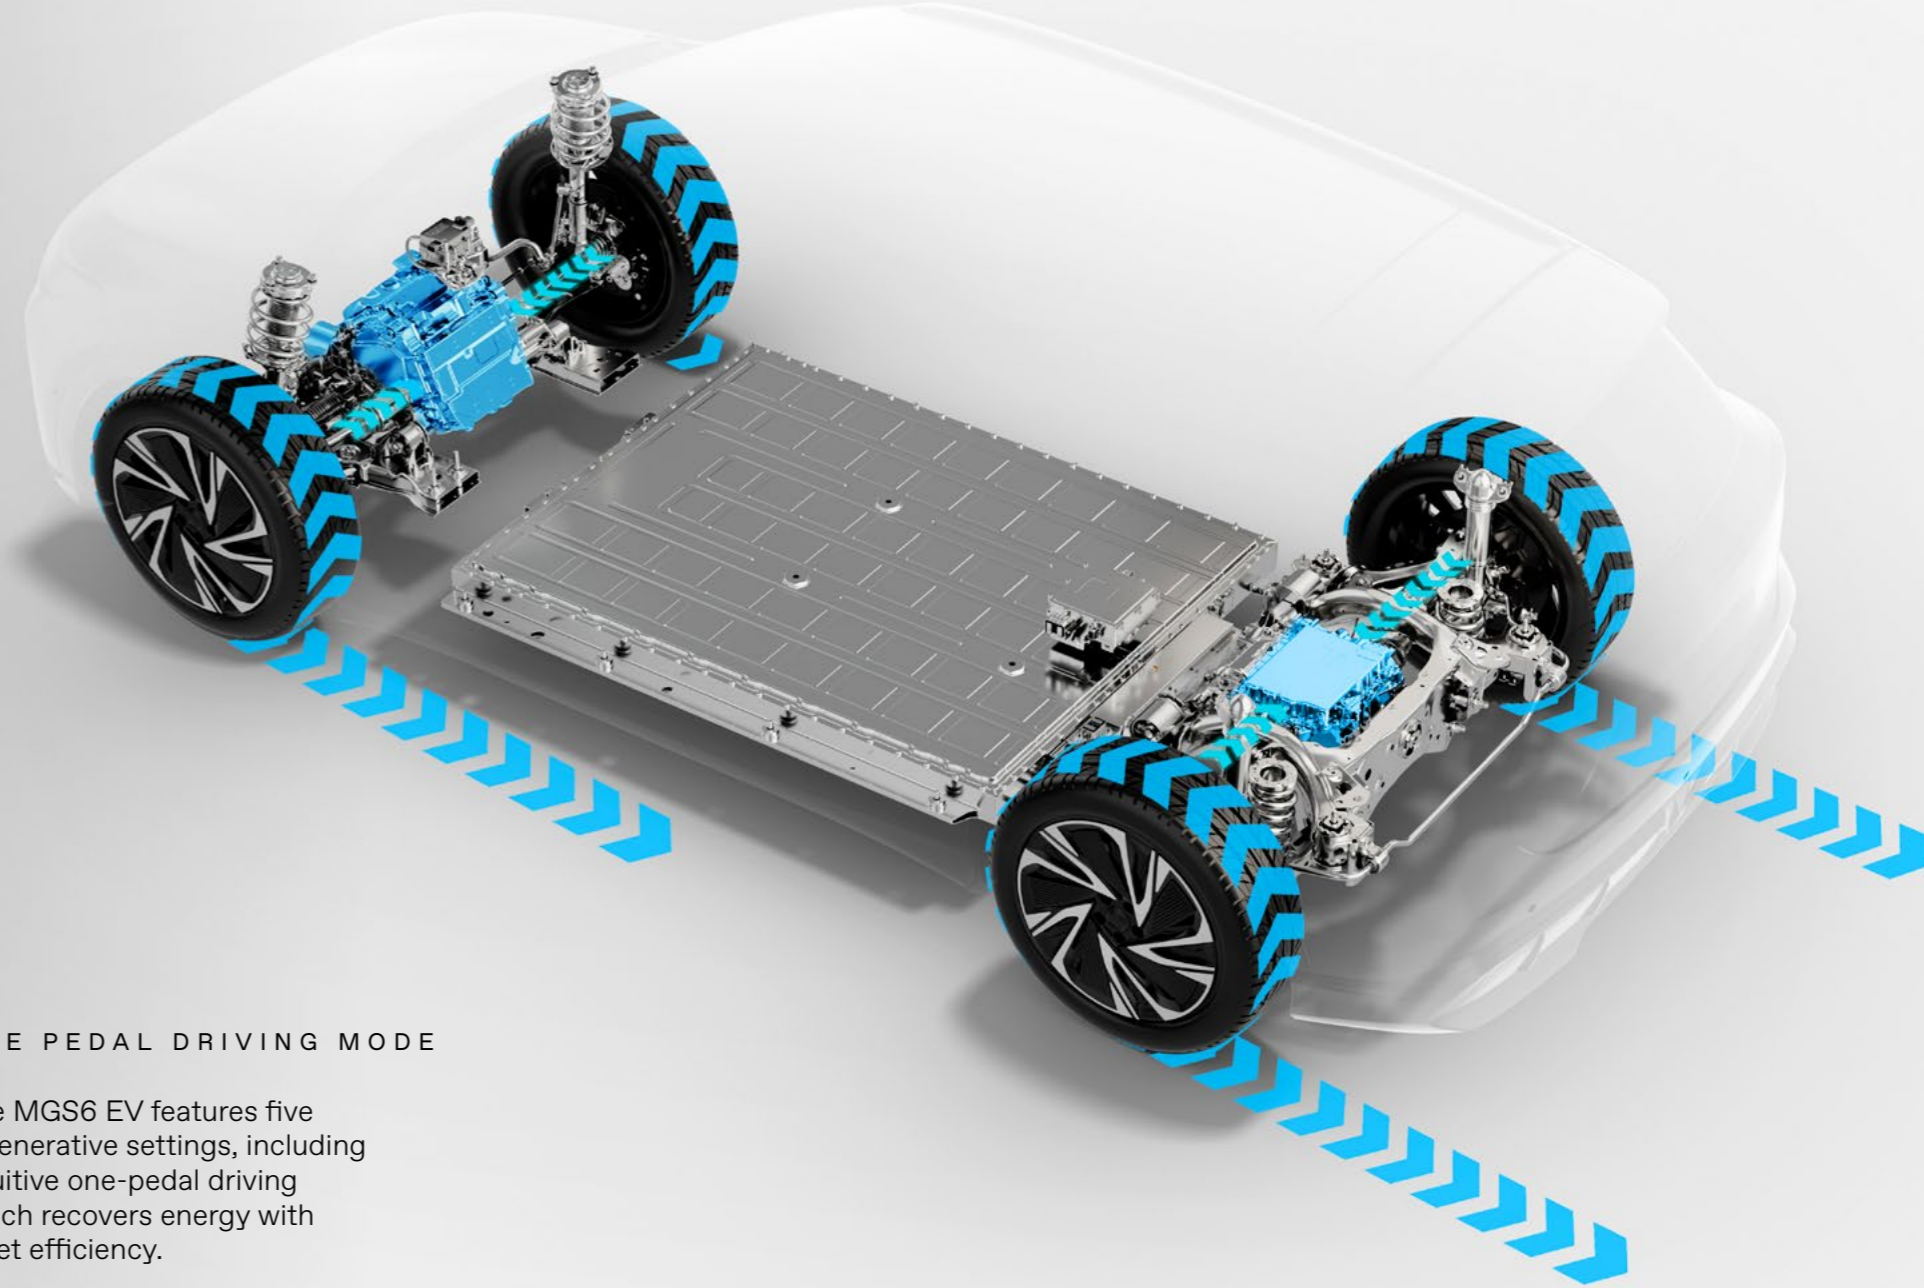

Select from five drive modes – Normal, Sport, Eco, Snow, or Custom – each attuned to your rhythm and the road ahead.

C O N T R O L

ONE PEDAL DRIVING MODE

The MGS6 EV features five regenerative settings, including intuitive one-pedal driving which recovers energy with quiet efficiency.

ADVANCED

INTUITIVE TECHNOLOGY

Technology that's
perfectly attuned to you.

- HEAD UP DISPLAY
- 12.8" HD SCREEN
- WIRELESS CONNECTIVITY

HEAD UP DISPLAY

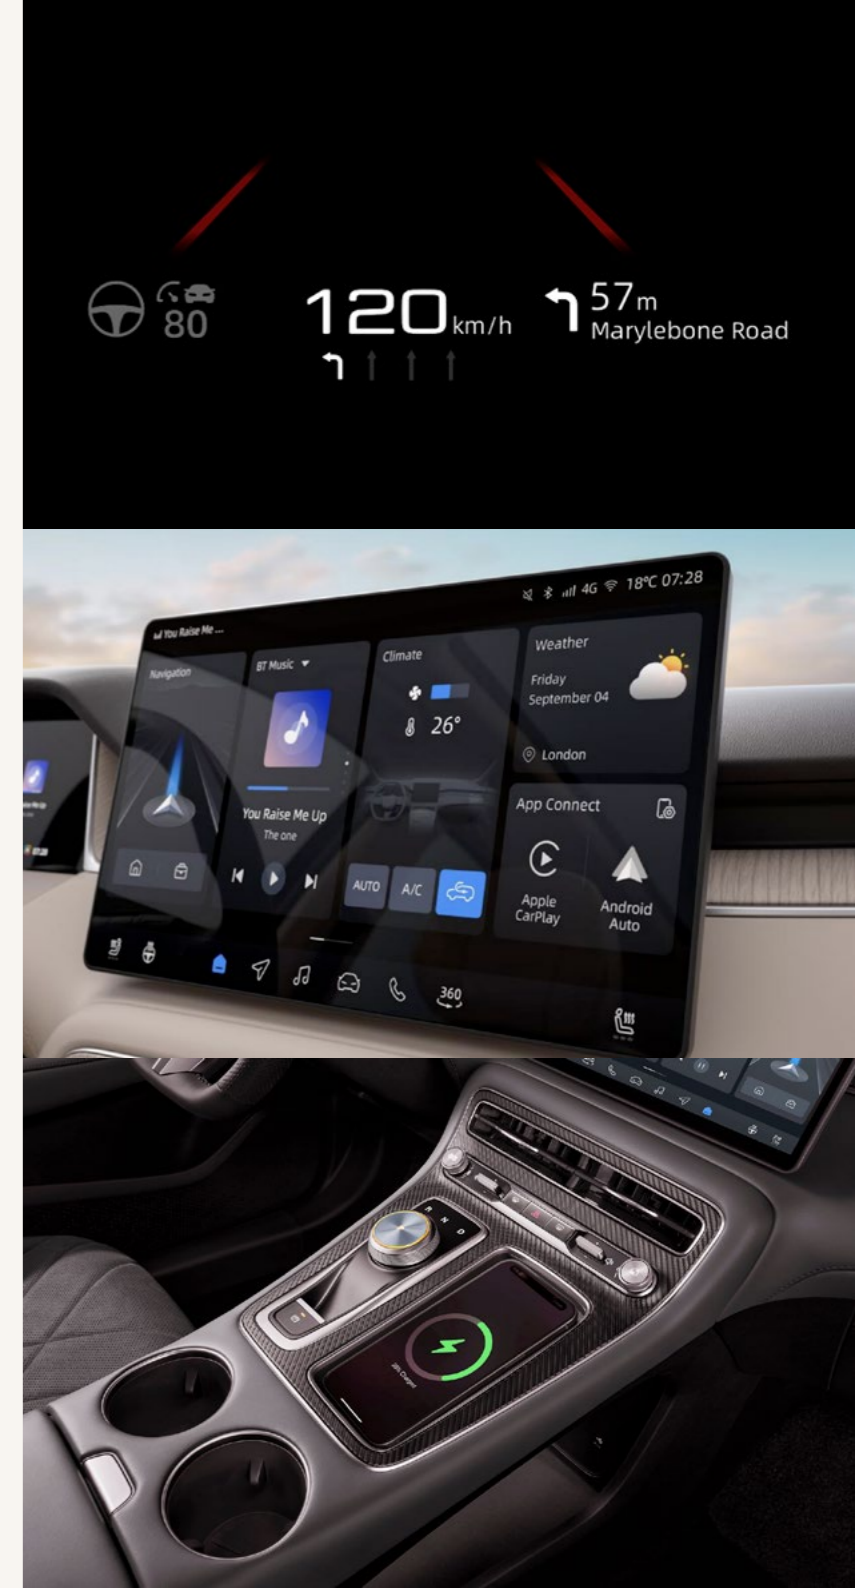

The head up display (HUD) projects essentials where your focus remains and is configurable to your preference.

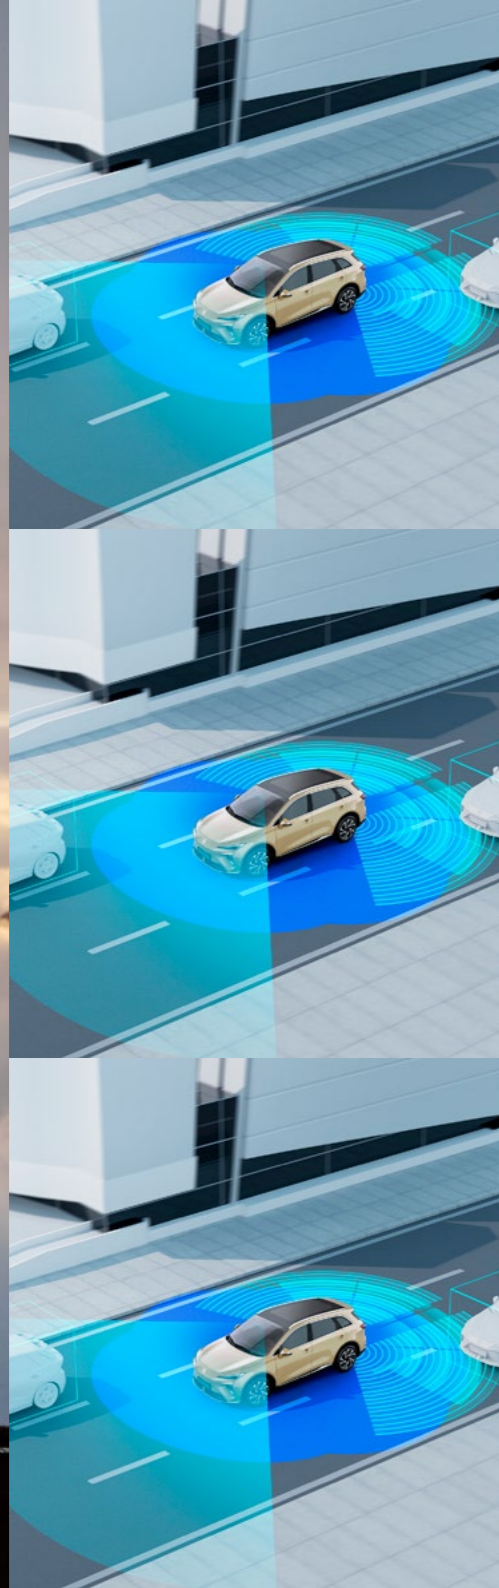

12.8 INCH HD TOUCHSCREEN

Designed to be highly intuitive, with simple functionality, the twin screen layout features a crystal clear 12.8-inch HD touchscreen and a 10.25-inch driver display which work in harmony. Physical buttons control the main functions making it tactile, easy and safe to operate on the move.

WIRELESS CONNECTION

The MGS6 EV integrates apps seamlessly so Spotify, Amazon Music, YouTube, and TikTok are ready to entertain. Wireless charging and wireless connectivity for Apple CarPlay™ and Android Auto™ also come as standard across the range.

SAFETY

QUIET PROTECTION

Safety that preserves
your peace of mind.

MG PILOT CUSTOM

MG Pilot works in harmony with an advanced suite of driver assistance systems to thoughtfully anticipate what lies beyond your sightline. The MG Pilot Custom function allows you to personalise your preferred settings and recall them easily with each drive.

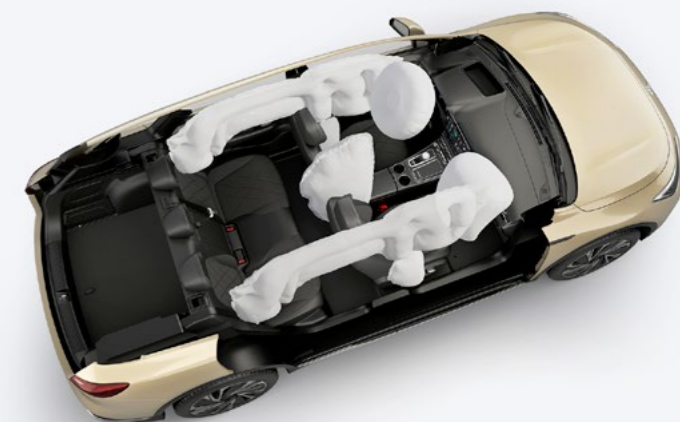

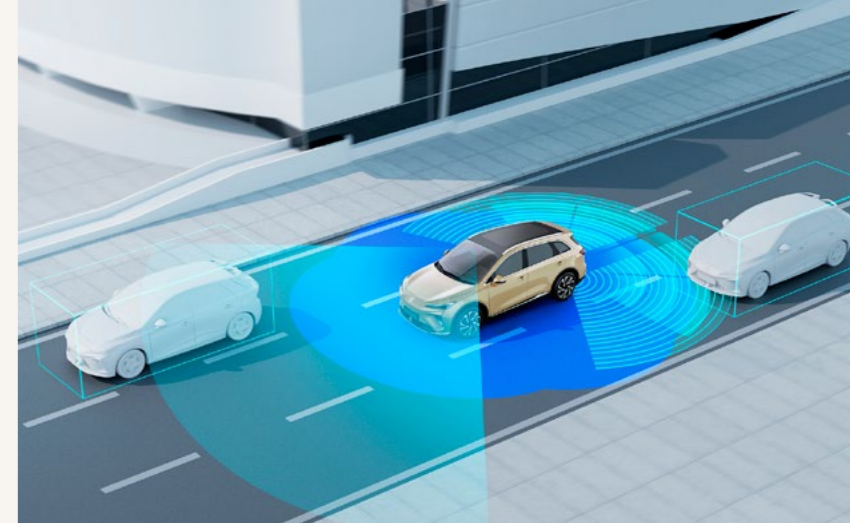

Active Emergency Braking, Lane Departure Warning, Adaptive Cruise Control, and Blind Spot Detection all monitor vigilantly with your safety in mind, allowing you to focus entirely on enjoying the journey ahead.

HIGH PERFORMANCE BRAKING

The MGS6 EV delivers a high-performance stopping power through an advanced braking system developed by Continental. The upgraded system on our Luxury Long Range model is capable of braking from 100km/h-0 in 36-metres.

COCOONED IN SAFETY

Awarded a 5-star NCAP rating, protection in the MGS6 EV works silently around you as a high-strength chassis creates a reassuring cocoon of safety. All models include seven airbags: front, side, curtain, and a central airbag, providing comprehensive passive safety for all occupants.

AFTERCARE

7 YEAR WARRANTY

More peace of mind comes as standard with every MG. The MGS6 EV offers reassurance of our full 7 year or 150,000km warranty, whichever comes first.

What's more, your battery is covered by an 7 year warranty. Our warranties ensures that expert MG technicians will always be able to keep your car in the best of health. They're also fully transferable to future owners.

MG SERVICE PLANS

To enjoy mile after mile of hassle-free motoring, you can avoid the worry of unexpected costs with an MG Service Plan. Your MG will be protected for up to seven years with a mileage range of your choice. And it will have the care and attention of the MG authorised repairer network, offering genuine parts and factory trained staff.
